MIDWEST TRAFFIC SAFETY CONFERENCE

2025

The Midwest Traffic Safety Conference is the perfect opportunity for law enforcement, prosecutors, crash investigators, and fleet managers to come together and learn about the latest developments in traffic safety. With seminars on impaired driving and crash investigation, attendees will leave with knowledge to help keep our roads safe. Join us for this three-day event and make a difference in your community.

About Us

Our mission as a non-profit is to bring together and mobilize midwestern states to eliminate motor vehicle crash fatalities and reduce serious injuries through a comprehensive approach known as the Safe System Approach.

The Safe System Approach focuses on five areas:

- (1) increasing safety among all road users;
- (2) planning, building, and maintaining safe roads and related infrastructure, including public transit;
- (3) encouraging the design, manufacture, and development of safe vehicles;
- (4) promoting safe speeds and safe speed setting; and
- (5) improving post-crash care for victims and first responders.
